CASA FOR CHILDREN OF KLAMATH COUNTY

# A NOTE FROM OUR DIRECTOR

## Happy Spring!

Typical Klamath weather. Right when I thought that spring was just around the corner, it looks like we'll be getting snow and high winds this weekend so bundle up!

As you may know, we have been busy gearing up for CASAblanca. It appears that our date change is not affecting turn out because we are already almost sold out! If you have any ideas for silent auction items or know someone willing to donate, please let us know. And if you're interested in volunteering your time closer to the event, please give us a call. We could use all the hands possible!

Exciting news: we have been nominated for the Herald and News Best in the Basin's Best Fundraiser and the winners should be announced in a few weeks. We are excited to bring some awareness to the imperative work you all do for the children of Klamath County.

Over the next few months, we are hoping to launch some new outreach strategies. We're always looking for new and creative ideas, so please let us know if you have any suggestions. We would love to increase our advocate pool, so please continue to spread the word about CASA.

We are busy putting together a list of spring break activities for your CASA kiddos, so stay tuned for that. We will also have one for summer camps in a few months.

We're including a list of workshops by Ce Eshelman. We hope you'll take a minute to check them out along with the other continued education resources.

We hope to start seeing more of you in the office as the weather improves. We so appreciate all that you do for our program and the children we serve!

Warmly,

*Kami Mirandé*
