A NOTE FROM OUR DIRECTOR

Happy Love Month!

I hope this message finds you well as we step into February.

February is a big month, as our Winter Training begins on Tuesday, February 6th. It's not too late to join if you know someone who is interested in becoming a CASA.

We're excited to offer some valuable resources and workshops for your continued education. This month, we chose to focus on neurodivergence in children to supplement Ce Eshelman's course if you choose to partake.

In our lending library, we've added two new children's books focusing on teaching patience and overcoming loss. We encourage you to explore these resources and share them with your kiddos.

Looking ahead, we are already gearing up for our 6th annual CASAblanca Gala on Saturday, May 4th at the Klamath County Event Center. If you have suggestions for new sponsors or have a service, experience, or item suitable for our silent auction, please let us know!

I want to thank Bernie Wood and the Loom Ladies for hand-making and donating three boxes of beanies. Please stop by the office to grab one for each of your CASA kiddos!

I also want to give a special shout-out to our very own Hannah Levine! She and Rich La China won this year's Klamath County Chamber of Commerce "Entrepreneur of the Year" award for their company Ninja Mountain Bike Performance. She is a champion for the children we serve and there's no doubt this award was well-deserved. Congratulations, Hannah and Rich!

Thank you again for giving yourselves to help our local children. You are a true example of love and kindness. I hope to see you all soon!

Warmly,

Kami Mirandé
